

Maricopa County Animal Care & Control (AC&C)

Spaying and neutering is important to your pet's health and safety and it helps to prevent unwanted dogs and cats. Animal Care & Control is offering free spay/neuter services for needy families to the first 100 animals at each location (*40 dogs: 20 male and 20 female, and 60 cats*) on the following dates:

January 11, 2003 (no dogs, cats only)
February 8, 2003
May 10, 2003
August 9, 2003
November 8, 2003

Locations: 2323 S. 35th Ave, Phoenix and 2630 W. 8th Street, Mesa

Here's What you Need to Know to Obtain this Free Service:

- ❖ Intake will begin no later than 6:30 A.M. Please be aware the line forms early.
- ❖ Animals will be ready to be picked up the same day.
- ❖ Do not feed your animal after 10:00 P.M. the night before.
- ❖ All cats must be in a carrier - one cat to a carrier. All dogs must be on a leash.
- ❖ All animals must weigh at least 2 pounds and be in good health.
- ❖ Animals over 7 years of age will not be accepted.
- ❖ No Hernias or Chryptorchids will be accepted. Both testicles must be evident.
- ❖ All dogs must have a current license. Licenses can be purchased on site.

Animals may only be dropped off by their legal owner. Only members of the public and their pets will be accepted on Spay Days. No rescue groups or breeders will be accepted. Donations of money, animal food, bedding, and supplies are gladly accepted. Additional medical services are available for a fee. Vaccinations are available for \$10.

DID YOU KNOW?

Neutering your pet helps prevent him from spraying and marking his territory.

Neutering keeps your pet healthy by preventing many diseases.

Neutering helps to keep your pet closer to home since he won't have the urge to wander.

Neutering will assure that no more unwanted animals are born.

Neutering helps prevent behavior problems.
